What are some of your favorite things to do or experience Down East or in Cedar Island?

Well, there's not much to do here really.

Richard

If you want a mess of seafood, like oysters, clams, crabs, you can get in your skiff and couple hours you'll have it and be back home. I mean, every now and then everyone will get together and we'll have a barbeque—something like that you know for the community building. Fish fry stuff like that, oyster roast.

Q.2. Connection to Down East natural environment

Henry

What about the environment Down East, or the landscape Down East? Are there things that you particularly like or value about the environment down here?
